Carriage Charges

Carriage is chargeable at cost with dispatch being at the most economical means unless otherwise requested.

We have an excellent next day delivery service at a special rate of £6.50 up to 25kg in weight using Omega Securicor. Please ensure, however, that the delivery address is occupied during weekday delivery hours as parcels will not be left unsigned. If this is a problem maybe a friendly neighbour or a business address could be an alternative.

Alternatively, we can use normal Parcel Post who if unable to deliver will request collection from your local depot.

Small items up to 1kg will be sent by Letter Post if small enough. Please include full carriage or telephone for advice. Any overpayment will be refunded.

Dispatch of stock goods is normally the same day however depends upon our business hours which are as follows:

Tuesday to Friday 9:00am - 1:00pm 2:00pm - 5:30pm

Saturdays 9:00am - 4:30pm

Sunday and Monday - Closed all day
